

# Office DEPOT

## Conferencing at Mythe Barn

### Event Brief

Office Depot required conference facilities for 36 delegates each day, over two days. The event in question was the company's annual logistics away day. An evening barbeque buffet, on site accommodation for five event organisers and senior managers, local accommodation for each other delegate and coach transport between the local hotel and our facilities were also in the event brief.

Each element of the event ran smoothly and within the timetable – even the weather played ball. The event team at Office Depot received excellent feedback from their delegates and declared the event a great success. Our client confirmed the booking of their second and slightly larger event with Mythe Barn before departing.

### Client testimonial

*"It is always the little things that make such a big difference. Aside from the flawless venue, friendly and accommodating staff and to die for food, the personalised room information with the keys, the 'emergency fries' and allowing us access to the rooms at 6.30am will ensure I keep coming back to you. It was those touches and a boat load of everything else that really made the difference in delivering a service far beyond expectation. The guys came away feeling motivated and positive about the messages they heard in comfortable surroundings; a complete escape from their usual day to day routine in the business."*
